

# Durable. Customized. Sustainable.

We develop sustainable high-performance nonwovens for the whole building and construction industry.

**Durable**

**Customized**

**Sustainable**

Through research, further development, and substantial know-how, our division is growing continuously with and for our customers.

## The key facts.

The TWE Group offers a wide range of technical nonwoven solutions across different application areas in the building sector, meeting the increasing demand for environmentally-friendly products. Our nonwovens deliver solutions for effective thermal and acoustic insulation, as our professional insulation products comply with all common insulation standards.

**Acoustic insulation**

**Thermal insulation**

**Temporary protection**

**Roof applications**

**Pool applications**

**Your Building specialist**
